SYDNEY | 6 - 11 SEPTEMBER 2020

THE 15TH INTERNATIONAL CONFERENCE  
ON ACCELERATOR MASS SPECTROMETRY

## The 15<sup>th</sup> International Conference on Accelerator Mass Spectrometry

Hosted by the Centre for Accelerator Science, ANSTO  
At the John Niland Scientia Conference Centre  
Sydney, Australia  
6<sup>th</sup> to 11<sup>th</sup> September, 2020

<https://ams15.sydney>

Held once every three years, and with an anticipated attendance of approximately 300 delegates, this meeting brings together professionals and academics from across the globe to share results of new research, to discuss and debate issues in Accelerator Mass Spectrometry (AMS) research, and to forge new partnerships while reinforcing existing collaborations.

### Conference Sponsorship

A comprehensive range of sponsorship options are available that provide a variety of opportunities for affiliated businesses to showcase their products to the Accelerator Mass Spectrometry community. These include Platinum, Gold and Silver partner packages, and opportunities to support and market at various conference program events.

6 - 11 SEPTEMBER 2020

THE 15TH INTERNATIONAL  
CONFERENCE ON ACCELERATOR  
MASS SPECTROMETRY

### **Attendees**

AMS-15 brings together a diverse range of researchers from scientific leaders to early career researchers in government, industry and academia. Students, both postgraduate and undergraduate, are also an integral part of the conference delegate cohort.

### **Benefits of Sponsorship**

The conference provides numerous opportunities for sponsors and exhibitors to form and strengthen international professional networks and ties with potential clients. Additionally, student sponsorship is an effective way of introducing your company to the next generation of international AMS research leaders.

The five day scientific program, from Monday 7<sup>th</sup> to Friday 11<sup>th</sup> September 2020 at the premier conference centre, John Niland Scientia, at the University of New South Wales' Kensington Campus, includes a welcome reception on Sunday afternoon (September 6<sup>th</sup>), plenary lectures, two parallel sessions, poster sessions, and a conference dinner.

By sponsoring or exhibiting at AMS-15 you will have the opportunity to:

- Enhance your company profile;
- Interact with your existing clientele face-to-face;
- Raise brand awareness;
- Establish or refresh professional networks;
- Demonstrate your products and services.

## AMS-15 Themes

Our conference themes fall under the umbrella descriptions of research advances, focussed on Applications of AMS to the World's Most Pressing Problems/Questions, and technical advances, focussed on AMS Research and Development. Three workshops are also on offer, allowing more in-depth exploration of both interdisciplinary and specific topics.

### Applications of AMS to the World's Most Pressing Problems/Questions

Earth's Dynamic Climate	Advancing Human Health
Water Resource Sustainability	Challenges of the Nuclear Age
Soil Erosion & Landscape Evolution	Understanding the Human Story
Catastrophic Natural Events	Understanding the Cosmos

### AMS Research and Development

Novel AMS Systems, Components & Techniques	Advances in Sample Preparation
Isobar Suppression	Data Quality & Management
Ion Sourcing	Production Rates & Modelling
New Isotopes	Facility Reports (for poster session only)

### Workshops

Nuclear Astrophysics	Saturday 5 <sup>th</sup> September 2020, ANU, Canberra
Integrating Multiple Geochronometric Techniques	Saturday 5 <sup>th</sup> September 2020, UOW, Wollongong
Microcarbon Workshop	Sunday 6 <sup>th</sup> September 2020, UNSW, Sydney

## **Definitions**

'Cancellation date' means July 1<sup>st</sup>, 2020.

'Conference' means AMS-15.

'Sponsor' means the entity sponsoring the conference.

'Organiser' means AMS-15.

The organiser retains the right to reject any sponsor that it deems inappropriate or unsuitable.

After written acceptance by the organiser issuing a tax invoice, the sponsor must provide an image of their logo in the format required by the organiser and other details as required (e.g. contact details, trademarks, etc.) to the organiser within 10 days of receipt of acceptance.

100% of the sponsorship must be paid within 7 days from invoice date otherwise agreed in writing by the organiser. All sponsorship materials must be submitted to the organiser as agreed on between the parties.

Acknowledgment of sponsorship and display of logos will take place once the invoice is paid in full. All sponsorship materials must be submitted to the organiser as agreed on between the parties.

The organiser will not be liable for damage or loss to sponsors properties by fire, theft, accident, or any other cause.

If a sponsor wishes to cancel any sponsorship, the organiser requires a request to be received in writing by the organiser on or before close of business by the cancellation date, failing which the organiser will not refund any sponsorship monies. If a request is received on or before the cancellation date, the organiser will use its best endeavours to onsell the sponsorship, in which event the sponsor will receive a refund of 50% or its original sponsorship. If the organiser is unable to onsell the sponsorship prior to the cancellation date then all monies will be forfeited.
